Current employment

Michael Diekmann Chair in Management Science, June 2016–Present;
Professor of Management Science, September 2015–Present;
Dean of Faculty and Research, January 2020–August 2022;
Dean of Faculty, September 2019–December 2019;
Director of Research, January 2017–August 2019;
Director of the Center for Sustainable Business and Leadership, April 2019–August 2019;
ESMT Berlin, Berlin, Germany

Education

PhD, Department of Industrial Engineering and Operations Research, Columbia University, New York, NY, USA, 1998.

MPhil, Department of Industrial Engineering and Operations Research, Columbia University, New York, NY, USA, 1998.

MS, Department of Industrial Engineering and Operations Research, Columbia University, New York, NY, USA, 1996.

BS, School of Engineering, Middle East Technical University, Ankara, Turkey, 1994.

Past employment

Full Professor (with Tenure), Desautels Faculty of Management, Operations Management Area, McGill University, Montreal, Canada, 2013–August 2015.

Visiting Professor, Department of Business Administration, Operations and Information Area, College of Administrative Sciences and Economics, Koc University, Istanbul, Turkey, January 2015–June 2015.

Visiting Professor, Dept. of Business Administration, Operations and Information Area, College of Administrative Sciences and Economics, Koc University, Istanbul, Turkey, January 2014–June 2014.

Associate Professor (with Tenure), Desautels Faculty of Management, Operations Management Area, McGill University, Montreal, Canada, 2005–2013.

Visiting Professor, Dept. of Business Administration, Operations and Information Area, College of Administrative Sciences and Economics, Koc University, Istanbul, Turkey, September 2006–April 2007.

Assistant Professor (Tenure-track), McGill University, Montreal, Canada, 1998–2005.

Instructor, Dept. of Industrial Engineering and Operations Research, Columbia University, New York, NY, USA, 1996–1998.

Teaching and Research Assistant, Dept. of Industrial Engineering and Operations Research, Columbia University, New York, NY, USA, 1994–1998.

Professional activities

Associate Dean, Master's Program, McGill University, Montreal, Canada, 2011–2013.

Committee Chair, Master's Program Committee, McGill University, Montreal, Canada, 2010–2013.

Committee Chair, MBA Admissions Committee, McGill University, Montreal, Canada, 2010–2013.

Academic Director, Master's Program, McGill University, Montreal, Canada, 2010–2011.

Executive Board Member, College of Sustainable Operations, Production and Operations Management Society (POMS), Montreal, Canada, May 2010–April 2011.

External Member, University Tenure Committee, Faculty of Science, McGill University, Montreal, Canada, January 2008–December 2010.

Committee Member, Master's Program Committee, McGill University, Montreal, Canada, 2008–2010.

Workshop Organizer, Co-Chair (with V. Verter), 10th International Closed-Loop Supply Chain Management Workshop, Montreal, Canada, November 2010.

Organizing Committee Member, College of Sustainable Operations Workshop, Production and Operations Management Society (POMS), Vancouver, Canada, May 2010.

Track Organizer, Co-Chair (with V. Verter), Sustainable Operations & Humanitarian Logistics Track, 21th Annual Conference of the Production and Operations Management Society, Vancouver, Canada, May 2010.

President, College of Sustainable Operations, Production and Operations Management Society (POMS), Montreal, Canada, May 2008–April 2010.

Cluster Organizer, Co-Chair (with O. Ozalp), Inventory Management Cluster, INFORMS Annual Meeting, San Diego, CA, USA, 2009.

Committee Member, Doctoral Program Committee, McGill University, Montreal, Canada, 2007–2009.

Committee Member, Faculty Merit Committee, McGill University, Montreal, Canada, 2007–2008.

Committee Member, MBA Admissions Committee, McGill University, Montreal, Canada, 2007–2008.

Coordinator, Management Science Area Coordinator, McGill University, Montreal, Canada, 2004–2006.

Committee Member, Doctoral Program Committee, McGill University, Montreal, Canada, 2004–2006.

Student Advisor, Bcom. Program, Operations Management, Concentration, McGill University, Montreal, Canada, 1999–2006.

Executive Member, Management Science Research Center, McGill University, Montreal, Canada, 1998–2006.

Co-director, Master in Manufacturing Management Program, McGill University, Montreal, Canada, 2001–2004.

Committee Member, Master Programs Committee, McGill University, Montreal, Canada, 2001–2004.

Committee Member, Chairs Development Committee (Elected), McGill University, Montreal, Canada, 2002–2003.

Committee Member, Ph.D. Program Committee, McGill University, Montreal, Canada, 2000–2001.

Student Case Competition Adviser, McGill University, Montreal, Canada, 2000–2001.

Committee Member, Undergraduate International Stream Advising Committee - Latin America, McGill University, Montreal, Canada, 1998–2000.

Committee Member, Undergraduate Program Committee, McGill University, Montreal, Canada, 1998–2000.

Memberships

External Academic Programs Task Force, McGill University; Faculty Strategy Retreats, McGill University; MBA Core Design Team, Coordinator Value Chain Creation Module, McGill University.

Editorial services

Associate Editor, *Decision Sciences*, October 2013–Present.

Senior Editor, *Production and Operations Management*, October 2013–Present.

Topical Editor, *Wiley Encyclopedia of Operations Research and Management Science (EORMS) (Energy and Environment)*, August 2011–Present.

Associate Editor, *Socio-Economic Planning Sciences*, January 2011–December 2013.

Guest Senior Editor, *Production and Operations Management (Special Issue on Global Supply Chain Risk Management)*, January 2012–July 2012.

Editorial Review Board Member, *Manufacturing & Service Operations Management*, January 2005–December 2005.

Co-Editor, *Computers & Operations Research (Special issue on Reverse Logistics)*, June 2003–January 2005.

Principal, Desautels Faculty of Management, McGill University, *Management of reverse logistics systems*, 2001–2002.

Principal, Desautels Faculty of Management, McGill University, 1998–2001.

Principal, Desautels Faculty of Management, McGill University, *Designing efficient procedures for managing service levels in supply chains*, 1999–2000.

Honors and awards

Productions and Operations Management Society (POMS) Senior Editor Award, Washington D.C., May 2019

President's Honor Roll for Teaching Excellence, *Operations Management*, MBA 2017, ESMT Berlin, 2017.
OPS, Operations Management

President's Honor Roll for Teaching Excellence, MIM 2014-16, ESMT Berlin, 2016.

MDIIM Faculty Fellow, McGill University, 2015.

Faculty Fellow (2013-14), McGill University, 2015.

Desautels Faculty Scholar, McGill University, 2015.

Quebec Teaching Chair Award (Bourse d'enseignement du Québec), Quebec Government, 2013.

Distinguished Teaching 2011 Award, McGill University, 2010.

Full tuition fellowship and assistantship, Columbia University, 1998.

Dean's High Honor List, Middle East Technical University, 1994.

PhD supervision

Inay, Ali. McGill University, Montreal, Canada, September 2011–December 2014.

Samieenia, Mohammad Javad. McGill University, Montreal, Canada, September 2011–December 2014.

Heimrich, Mathijn Jan Retel. *Sustainable Operations*. McGill University, Montreal, Canada, January 2013–December 2013.

Presentations

Peer reviewed paper presentations

An analysis of monopolistic and competitive collection schemes for WEEE recycling

- 06/05/08: MSOM Conference: Supply Chain Management (SIG), MSOM and University of Maryland, College Park, MD, USA.

An analysis of monopolistic and competitive collection schemes for recycling

- 11/04/07: Institute for Operations Research and the Management Sciences Annual Meeting, INFORMS, Seattle, WA, USA.
- 07/08/07: EURO XXII - 22nd European Conference on Operational Research, Czech Society for Operational Research and University of Economics, Prague, Prague, Czech Republic.
- 05/06/07: 18th Annual Conference - Production Operations Management Society, POMS, Dallas, TX, USA.

Collection strategy choice and network design with financial incentives for product recovery

- 09/01/05: Symposium on Closed Loop Supply Chains, Desautels Faculty of Management, McGill University, Montreal, Canada.
- 10/24/04: Annual Meeting, INFORMS, Denver, CO, USA.

Consumer choice under limited attention and implications for assortment optimization

- 06/18/16: Institution for Operations Research and Management Science (INFORMS) Revenue Management and Pricing Conference 2016, NYU Stern School of Business, New York, NY, USA.

Consumer choice under limited attention and implications on firm decisions

- 03/03/17: Research Seminar at HEC Paris, HEC Paris, Paris, France.

Dual distribution systems: Manufacturer-retailer competition and coordination mechanisms

- 05/01/01: Optimization Days, CORS-OPTD Canadian Operational Research Society, Quebec City, Canada.

Dynamic decision making in a decentralized supply chain

- 11/04/06: Institute for Operations Research and the Management Sciences Annual Meeting, INFORMS, Pittsburgh, PA, USA.
- 06/02/06: EURO XXII - 21st European Conference on Operational Research, Czech Society for Operational Research and University of Iceland, Reykjavik, Iceland.

Horizontal and vertical inventory competition in a multi-channel system

- 10/01/02: Institute for Operations Research and the Management Sciences Annual Meeting, INFORMS, San Jose, CA, USA.

Incentive based collection strategies for product recovery

- 07/01/03: Joint International Meeting, EURO-INFORMS, Istanbul, Turkey.

Information acquisition for capacity planning via pricing and advance selling: When to stop and act?

- 05/06/07: 18th Annual Conference - Production Operations Management Society, POMS, Dallas, TX, USA.
- 05/09/05: Optimization Days, Groupe d'Études et de Recherche en Analyse des Décisions (GERAD), Montreal, Canada.
- 07/01/04: Manufacturing and Service Operations Management Conference, INFORMS, Eindhoven, The Netherlands.
- 07/01/04: Manufacturing and Service Operations Management Conference, INFORMS Society on MSOM, Eindhoven, The Netherlands.

Investing in remanufacturability and collection: The effect of quality condition uncertainty

- 05/01/09: 20th Annual Conference - Production Operations Management Society, POMS, Orlando, FL, USA.

Investing in reusability and collection: The impact of quality condition uncertainty

- 10/11/09: Institute for Operations Research and the Management Sciences Annual Meeting, INFORMS, San Diego, CA, USA.

- Managing waiting times of backordered demands in single-stage inventory systems*
- 05/07/15: Institute for Operations Research and the Management Sciences Annual Meeting, INFORMS, Salt Lake City, UT, USA.
- Minimizing average ordering and holding costs under service constraints*
- 04/01/98: Institute for Operations Research and the Management Sciences Annual Meeting, INFORMS, Montreal, Canada.
- Optimal prices and trade-in rebates for durable products*
- 05/01/03: Manufacturing and Service Operations Management Conference, INFORMS Society on MSOM, Los Angeles, CA, USA.
- Price and delivery time differentiation in a capacitated environment*
- 07/01/03: Joint International Meeting, EURO-INFORMS, Istanbul, Turkey.
- Pricing and inventory management issues in a simple supply chain*
- 10/01/97: Institute for Operations Research and the Management Sciences Annual Meeting, INFORMS, Dallas, TX, USA.
- Pricing when customers have limited attention*
- 02/17/16: Research Seminar, The KLU (Kühne Logistics University), Hamburg, Germany.
 - 11/04/15: Institute for Operations Research and the Management Sciences Annual Meeting 2015, INFORMS, Philadelphia, PA, USA.
 - 05/15/15: KUMPEM Forum Retails Conference, Koc University, Istanbul, Turkey.
- Priority decisions in hybrid manufacturing/remanufacturing systems*
- 10/01/02: Institute for Operations Research and the Management Sciences Annual Meeting, INFORMS, San Jose, CA, USA.
- Private labels vs national brands: Product assortment and information sharing*
- 04/20/12: 23rd Annual Conference - Production Operations Management Society, POMS, Chicago, IL, USA.
- Product differentiation and capacity cost interaction in time and price sensitive markets*
- 05/01/03: Annual Meeting, CORS – Canadian Operational Research Society, Vancouver, Canada.
 - 02/27/03: Conference on Supply Chain Optimization, University of Florida, Gainesville, FL, USA.
- Product differentiation in a capacitated environment with time and reliability sensitive demands*
- 10/19/03: Annual Meeting, INFORMS, Atlanta, GA, USA.
- Product reuse in industries with radical innovations*
- 05/09/14: 25th Annual Conference - Production Operations Management Society, POMS, Atlanta, GA, USA.
- Product reuse in innovative industries*
- 11/13/11: Institute for Operations Research and the Management Sciences Annual Meeting, INFORMS, Charlotte, NC, USA.
 - 04/29/11: 22nd Annual Conference - Production Operations Management Society, POMS, Reno, NV, USA.
- Rational inattention to discrete choice and implications on firm decisions*
- 12/01/17: Research Seminar at Scheller College of Business, Georgia Institute of Technology, Atlanta, GA, USA.
- Selling with money-back guarantees: Impact on prices and profit*
- 05/07/10: 21st Annual Conference - Production Operations Management Society, POMS, Vancouver, Canada.
- Service constrained serial systems*
- 05/01/99: III. International Industrial Engineering Conference, International Industrial Engineering, Montreal, Canada.
- Single-stage inventory systems under practical waiting time constraints*
- 05/01/00: Optimization Days, CORS-OPTD Canadian Operational Research Society, Montreal, Canada.
- Supply chain coordination under customer service competition*
- 06/01/00: Manufacturing and Service Operations Management Conference, INFORMS Society on MSOM, Ann Arbor, MI, USA.
- The impact of capacity costs on product differentiation*
- 05/03/04: CORS/INFORMS International Meeting, INFORMS, Alberta, Canada.

The impact of legislation on product recovery: Reuse or recycle?

- 04/29/11: 22nd Annual Conference - Production Operations Management Society, POMS, Reno, NV, USA.

Unknown title

- 05/27/16: Tenth Annual Workshop on Supply Chain and Logistics, Bilkent University, Ankara, Turkey.
- 04/27/16: Research Seminar, University of Mannheim, Mannheim, Germany.

Value of decision flexibilities and information updating in a two-echelon supply chain with price-sensitive stochastic demand

- 07/01/05: YA/EM 2005 National Conference, Koc University, Istanbul, Turkey.
- 06/01/05: Manufacturing and Service Operations Management Conference, INFORMS Society on MSOM, Evanston, IL, USA.
- 10/01/04: Annual Meeting, INFORMS, INFORMS Society, Denver, CO, USA.

Research seminars

Learning fast and slow: Rational inattention when alternatives have different information costs

- 05/13/19: Research Seminar at Vienna University of Economics and Business.

Consumer choice under limited attention and implications on firm decisions

- 03/03/17: Research Seminar at HEC Paris, HEC Paris, Paris, France.

Pricing when customers have limited attention

- 10/04/16: Research Seminar, The Hong Kong University of Science and Technology, Hong Kong, China.
- 02/17/16: Research Seminar, The KLU (Kühne Logistics University), Hamburg, Germany.

Rational inattention to discrete choice and implications on firm decisions

- 12/01/17: Research Seminar at Scheller College of Business, Georgia Institute of Technology, Atlanta, GA, USA.
- 10/16/17: SCM Research Seminar, Rotterdam School of Management Erasmus University, Rotterdam, The Netherlands.

Unknown title

- 04/27/16: Research Seminar, University of Mannheim, Mannheim, Germany.

Other presentations

Opaque queues: Service systems with rationally inattentive customers

- 06/30/19: Author and Presenter: 2019 MSOM Conference, Singapore.

Fast and flexible: Agility in industry

- 06/22/17: Panelist, ESMT Annual Forum, ESMT Berlin, Berlin, Germany.
